At Home with the Family

Bona Novia – the domestic choice from a family of greats

Bona Novia

Premium domestic finish

Bona Novia is the number one choice for domestic wood floors. A member of the Bona family of premium protective finishes and lacquers, Bona Novia brings out the rich warm tones and natural beauty of wood. Achieve a deep lustre in no time thanks to its self-sealing, quick drying formula, combined with easy application.

Safe and sustainable, Bona Novia is completely water based with low VOC, providing not only unbeatable protection for wood floors, but also a healthy working environment.

Application

Apply evenly using a Bona Roller or a Bona Applicator. Let dry 1-2 hours between layers. (at 20°C/60% R.H.)

Key Benefits

- Easy to use, no primer needed
- Self-crosslinking, acts as a 2-component product but without requiring any mixing
- Good resistance to wear, chemicals and scuff marks
- Non-yellowing
- Quick drying
- Low odour
- GreenGuard certified
