Bona Power Drive NEB

Flexibility in one click

Introducing the new generation Bona Power Drive NEB, the latest addition to the Bona Power Drive range. For use in combination with Bona FlexiSand 1.9, in addition to bare wood sanding, this highly versatile tool also performs traditional abrading and brushing for greater wood floor treatment possibilities than ever.

1 tool, 3 possibilities

Bona Power Drive NEB is a highly versatile disc. It can be used for traditional sanding down to the bare wood as well as wire brushing by simply changing the tool.

Brush for creative effects

Use with Bona's new Metal brush attachments to create texture and unique 2-dimensional colour effects. When used with any type of surface treatment, from pigment oils to matt finishes, outstanding effects can be achieved.

Switch with a simple click

With its simple, innovative click mount attachment, changing from brushing to abrading or bare wood sanding couldn't be quicker or easier.

Unique drive

The cog wheel design of Bona Power Drive NEB drives the brushes in a counter-rotating direction, brushing out the soft wood between the grain.

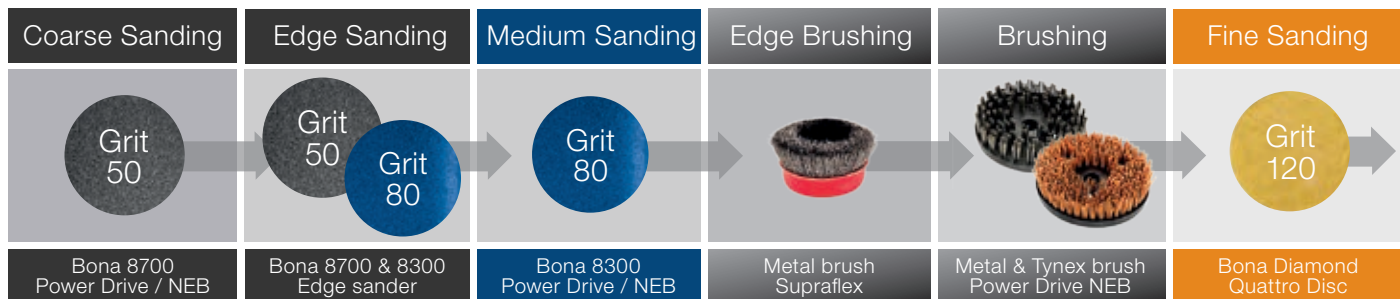

Compatible with Bona Power Drive

The spur gear for the Bona Power Drive NEB is sold separately, and is not necessary if you already have a Bona Power Drive.

Easy sanding and brushing steps

For best results, Bona recommends the following steps for sanding and brushing:

Bona Power Drive NEB including XL skirt

This complete tool can be mounted directly to the Bona FlexiSand 1.9.
Note: Bona Power Drive NEB may be used with the Bona FlexiSand 1.5 for sanding. However, brushing is not possible.

ASK 3199941030
Bona Power Drive NEB Metal brushes x 4

The Metal brushes are for use exclusively with the Bona Power Drive NEB to create a brushed wood effect. An extra weight may be added to the FlexiSand 1.9 to increase the brushing effect.

ASK 3199941010
Bona Power Drive NEB sanding discs x 4

The discs allows the Power Drive NEB to be used as a traditional Power Drive for bare wood sanding.

ASK 3199941020
Bona Power Drive NEB Tynex brushes x 4

These brushes are for use exclusively with the Bona Power Drive NEB to be used after metal brushing to soften the effect.
