

Bona Scorpion DCS

Technical data sheet

Delivering the same performance and ease of operation as the Bona Scorpion, the DCS version comes with the attached Dust Care System which operates on an independent switch, and it can also be connected to other machines. Bona Scorpion DCS is the perfect combination of functionality, reliability, safety, ease of use and dust-free sanding.

Application

For sanding of all kinds of wooden and parquet floors by users of all proficiency levels: professionals, semiprofessionals or DIY users

Key Benefits

- DCS vacuum on board
- Light weight of 43 kg
- Operating button on handle
- 3 levels of pressure adjustment
- Easy fitting and changing of paper sleeve, no tools needed
- Can fit distressing drums to texture wood floors on site
